

Since 2012, PCC has helped people with Autism Spectrum Disorder, developmental disabilities, and other special needs with a particular focus on self-determination.

Our mission is to help these individuals access the supports they need to be active and productive members of their communities on Long Island.

This Year's Honoree

Phil Samuels

President,

Long Island Division at USI

*"In order to lead others,  
you must lead yourself."*

For 40 years, Phil has been a leader and innovator in the worlds of commercial insurance, Angel/Venture investing and real estate. A graduate of the University of Miami's school of Business. He joined the insurance industry as a Casualty Underwriter.

Phil has a reputation as a trusted source for clients and colleagues. He founded and built the Amerisc Corp. into a tri-state regional insurance powerhouse, dominating real estate and construction portfolios. He is a founding member of Soundboard Angel fund (SBAF), an early stage investment fund focused on providing capital to emerging markets. Phil moved to USI and manages their USI's Long Island operations. Phil is a proven leader and, under his guidance he has enabled professionals he has led to thrive in an atmosphere designed to provide the skills to improve our clients risk profile.
